Net Income: \$290,100,000

Assets: \$6,088,200,000

Liabilities: \$3,459,300,000

(As of December 31, 2001)

Description: Atlas Copco has construction, mining, and equipment rental industries. The company divides its operations into compressor (air dryers and air and gas compressors); industrial (pneumatic and electric power tools); rental service; and construction and mining (drilling rigs and equipment) segments. It makes products for the compression and treatment of air and gases, industrial tools and motion-control products for the manufacturing and construction industries, and drilling equipment for mining and construction markets. Atlas Copco rents equipment and offers aftermarket services.
